

Birthday

Quietdrive

[Verse One]

I'm falling into words I never knew,
I never meant to say the words, "I love you"
But it was in my heart and it felt new
Was it true for you, was it true for you? Of course you'd like to play that we'd be friends,
It couldn't stay that way 'cause we'd pretend,
But everything was fine until the end
When everything goes wrong, where did I go wrong? [Chorus]

I'm sorry I forgot your birthday,
I'm sorry 'cause I was shit face
I thought it was on a Wednesday,
A Monday or a Tuesday,
It's all the same to me
So what will make you happy?
Tell me 'cause I'm sorry
These colors that we find
Look all the same to me [Verse Two]
I know that you've been hurt but in the end,
I'd like to say it's worth all the things that we did
But now you've found me out, my inside's dead
What have I done wrong?

What have I done wrong? [Chorus]
I'm sorry I forgot your birthday,
I'm sorry 'cause I was shit face
I thought it was on a Wednesday,
A Monday or a Tuesday,
It's all the same to me
So what will make you happy?
Tell me 'cause I'm sorry
These colors that we find
Look all the same to me [Bridge]

I couldn't take those things away from you
I've made mistakes, but you have too
We could have made it work but we lost
When you left and you didn't have to,
You didn't have to, didn't have to
You didn't have to [Partly Inaudible Chorus] [Ending]
Feel all the same to me
(Feel all the same to me)

Feel all the same to me
(Feel all the same to me)
Feel all the same to me
