

Make Me Like You (Chris Cox DMS Remix)

Gwen Stefani

Ah ah ah ah

Ah

I was fine before I met you

I was broken but fine

I was lost and uncertain

But my heart was still mine

I was free before I met you

I was broken but free

All alone in the clear view, but now you are all I seeHey, wait a minute

No, you can't do this to me

Wait a minute

No, that's not fair

Hey, wait a minute

You're on me like jewelry

I really like you, but I'm so scaredOoh, why'd you have to go and make me like you?

Yeah this is a feeling I'm not used to (ooh)

Why'd you have to go and make me like you?

I'm so mad at you 'cause now you got me missing you

Ah ah ah ah

Ah

'Cause now you got me missing youSomething I could get used to

I could get used to this

It's getting harder to leave it

Your lips on my lips

Oh, I can't believe it

How good it could be

Didn't wanna believe it, but now you are all I seeHey, wait a minute

No, you can't do this to me

Wait a minute

No, that's not fair

Hey, wait a minute

You're on me like jewelry

I really like you, but I'm so scaredOoh, why'd you have to go and make me like you?

Yeah this is a feeling I'm not used to (ooh)

Why'd you have to go and make me like you?

I'm so mad at you 'cause now you got me missing you

Why'd you have to go and make me like you?

Yeah this is a feeling I'm not used to (ooh)

Why'd you have to go and make me like you?

I'm so mad at you 'cause now you got me missing you
Oh God, thank God that I found you
Oh God, cause now you got me missing you
Oh God, thank God that I found you
I'm so mad at you 'cause now you got me missing you
Thank God
Thank God that I found you, oh
Now you got me missing you
Now you got me missing you Why'd you have to go and make me like you?
Yeah this is a feeling I'm not used to (I'm not used to)
Why'd you have to go and make me like you? (like you)
I'm so mad at you 'cause now you got me missing you (ooh, oh yeah)
Why'd you have to go and make me like you? (why'd you got to do it)
Yeah this is a feeling I'm not used to (used to)
Why'd you have to go and make me like you?
I'm so mad at you 'cause now you got me missing you
Oh God, thank God that I found you
Oh God, 'cause now you got me missing you
Oh God, thank God that I found you
I'm so mad at you 'cause now you got me missing you
