

# Take Me out of This Nightmare

## Enforcer

You don't know what is out there  
Soothing dreams of dying  
In superstition and darkness  
You know it's dead and it's old  
I see that the daylight is gone  
As I'm fading away with the sun  
With you And now the hours are bending  
Nothing lasts forever  
Pieces that don't fit together  
Constant time is falling apart  
I see that the daylight is gone  
As I'm fading away with the sun  
Take me out-Take me out of this nightmare  
Take me out-Take me out of this nightmare  
Won't you take me out  
Come on and take me out  
Forever gone I know that I never will wake up  
And forever follow  
You changed my sight to this shadow  
And I'm feeling my fears gonna swell  
oh, no  
I see that the daylight is gone  
As I'm fading away with the sun Take me out-Take me out of this nightmare  
Take me out-Take me out of this nightmare  
Won't you take me out  
Come on and take me out(Solo)  
Take me out-Take me out of this nightmare  
Take me out-Take me out of this nightmare  
Won't you take me out  
Come on and take me out  
Won't you take me out?
