

# Anna Lee

## Popa Chubby

Helpless child  
They invite your hands to fill their needs  
Will you be the same?  
Shameless smile  
To steal from you the innocence that bleeds  
Will they feel your pain?  
Trying to believe  
The scars unseen, the tears wash clean  
You don't wanna breathe the air you breathe  
You don't know how you'll live a life alone  
She keeps holding on, holding on to you  
Let her breathe the air, don't wanna be alone  
Where do you belong Anna Lee?  
Behind those eyes  
A vivid scene, a lucid dream within  
Questioned secrets are revealed  
And every time  
You can't deny the lines that trace your skin  
Wounds that never heal  
Trying to believe  
The scars unseen, the tears wash clean  
You don't wanna breathe the air you breathe  
You don't know how you'll live a life alone  
She keeps holding on, holding on to you  
Let her breathe the air, don't wanna be alone  
Where do you belong Anna Lee?  
And now she's calling out a name  
Can't keep on hiding all her pain  
You feel the rain move in as you begin  
To turn and answer the call  
Trying to believe  
The scars unseen, the tears wash clean  
You don't wanna breathe the air you breathe  
You don't know how you'll live a life alone  
She keeps holding on, holding on to you  
Let her breathe the air, don't wanna be alone  
Where do you belong Anna Lee?
