Prisoner

Lucky Dube

Somebody told me about it

When I was still a little boy

He said to me, crime does not pay

He said to me, education is the key, yeahAs a little boy I thought I know

What I was doing, yeah, man

But today, here I am in jailI'm a prisoner

I'm a prisoner

I'm a prisonerI looked all around me

But to see nothing

But four gray walls staring at meThe policeman said to me, Son

They won't build no schools anymore

All they' ll build will be prison, prison

All they' ll build will be prison, prison

All they'll build will be prison, prison

'Cos today, yeahI am a prisoner

I am a prisoner

I'm a prisoner, dear LordI asked the policeman and said

How much must I pay for my freedom?

He said to me, Son

They won't build no schools anymore

They won't build no hospitals

They won't build no hospitalsAll they'll build will be prison, prison

All they'll build will be prison, prison

All they' ll build will be prison, prison

All they' ll build will be prison, prisonI'm a prisoner

I'm a prisoner

I'm a prisonerI'm a prisoner

I'm a prisoner

I'm a prisonerI'm a prisoner

I'm a prisoner

I'm a prisoner
