

Baboo (Shura Space Tape Edit)

Pixx

Shadow, I trace after your glow
Couldn't flow, you take me back to my own Impulse, I'll go wherever you go
Relieve, floating blooming under
willows
Stumble steady into my arms
Sail away there is no harm
I've been watching time, time, time slip into the days gone by...
And I feel fine
Echo, you answer all of my calls
Never know, which way they glide in from Implode; it crumbles down when you go
Reaching, glistening under
willows
Stumble steady into my arms
Sail away there is no harm
I've been watching time, time, time slip into the days gone by...
And I feel fine
