The Planets Bend Between Us (2009 version)

Snow Patrol

The winters mar the Earth
It's floor was frozen glass
You slip into my arms
And you quickly correct yourself
Your freezing speech bubbles
Seem to hold your words aloft
I want the smoky clouds of laughter
To swim about me forever more[Chorus]
I will race you to the waterside
And from the edge of Ireland shout out loud
So they could hear it in America
It's all for youThe shells crack under our shoes
Like punctuation points
The planets bend between us
A hundred million suns and stars
The sea filled in this silence
Before you sank those words
And now even in the darkness
I can see how happy you are[Chorus]
