

# The Way We Move

## Langhorne Slim & The Law

There we are extending into shooting stars,  
in our houses in our cars  
You didn't know it, now you do  
this is the way we move  
In the belly of the whale  
In my bedroom I cant sleep  
And all my friends got crooked tales  
That's the way I like it  
That's just what I need and  
Here we are extending into shooting stars  
In our houses, in our cars  
you didn't know it, now you do  
this is the way, this is the way we move  
In the belly of the whale  
in my bedroom I cant sleep  
and all my friends got crooked tales  
That's the way I like it  
That's the company I keep  
Here we are extending into shooting stars  
In our houses, in the ashes to bars  
you didnt know it, now you do  
it happens to be the way that we move  
In the belly of the whale, in the belly of the beast  
At the last supper honey,  
Make sure you get something, something to eat  
There we are extending into shooting stars  
In our houses, in our cars  
you didnt know it, now you do  
This is the way, this is the way we move  
This is the way, this is the way we move  
This is the way, this is the way we move  
This is the way
