

# Forever (feat. Melodie Malone)

## Passion

The moon and stars they wept  
The morning sun was dead  
The savior of the world was fallen  
His body on the cross  
His blood poured out for us  
The weight of every curse  
Upon Him

One final breath He gave  
As heaven looked away  
The song of God was laid in darkness  
A battle in the grave  
A war on death was waged  
The power of Hell forever broken

The ground began to shake  
The stone was rolled away  
His perfect love  
Could not be overcome  
Now death where is your sting  
Our resurrected king  
Has rendered you defeated

Forever, He is glorified  
Forever, He is lifted high  
Forever, He is risen  
He is alive  
He is alive

He is alive  
He is alive  
He has overcome  
He has overcome  
Death is overcome  
Death is overcome

We sing Hallelujah  
We sing Hallelujah  
We sing Hallelujah

The lamb has overcome

Hallelujah

He is alive

The veil is torn, our debt is paid

Hallelujah

He is alive
