

Runaway

Janet Jackson

Here we go I've seen the world, been to many places
Made lots of friends, many different races
I've had such fun around the world it's true
African skies with Nairobi mood I fell asleep in Tuscany and dreamed
The one thing missing was you Runaway with me and my love
Yeah, yeah, yeah, yeah
Runaway with me and my love
Yeah, yeah, yeah, yeah I woke up with an Australian breeze
And danced the dance with Aborigines
Oh, under the moon glow, down in Mexico
I dreamed, one thing was missing that's you Runaway with me and my love
Yeah, yeah, yeah, yeah
Runaway with me and my love
Yeah, yeah, yeah, yeah We'll sail the water of many colors
Won't need no compass, love will guide our way
Don't need nobody, long as we got each other
No need to hurry, we've got everyday I want to share the world with you, you see
Springtime in Paris was so good to me
Oh, this is for me and reality, so please
Make all my wishes come true Runaway with me and my love
Yeah, yeah, yeah, yeah
And I just know we'll have a good time, yeah
And I just know we'll have a good time, yeah Oh, please come with me
And I just know we'll have a good time
It'll be fun walking in the rain in Spain And I just know we'll have a good time
Oh, didn't quite hit the note
That wasn't such a good time And I just know we'll have a good time, yeah
Don't you think so? I do
And I just know we'll have a good time, yeah
