

# Cupid's Got A Gun

Nicki Minaj

[shanel] You watched me fall  
Stood over me as I hit the ground  
Then he whispered his name in my ear  
Such a dark familiar sound  
Cupid's got a gun  
And he shot me with it  
Cupid's got a gun  
And he shot me with it  
Now who said he's a lover  
Really he's a murderer  
[nicki minaj] imma put on my long pouffy skirt  
Man I should have known he would do me dirt  
So miserable i'ma storm through the puddle  
Cupid's got a weapon gotta part with the devil  
Tell him that i'm done tell him that i'm not here  
Hit him with the lamp i'ma hit him with a chair  
throw the 2-sign im dome wit sons  
slo-mo as the pellets throw right from the gun  
[shanel] I I I thought I could trust him  
But I I I didn't see it coming  
Cos cupid's got a gun  
  
And he shot me with it  
Cupid's got a gun  
And he shot me with it  
Now who said he's a lover  
Really he's a murderer  
I should have known  
By the way he took my breath away  
And the way he held me  
Often hurt me  
He told me love was pain  
I saw the winding road  
Spinning out of control  
Surrendered to his wrong direction  
Now I don't know where to go  
Cos cupid's got a gun  
Cupid's got a gun  
Now who said he's a lover

Really he's a murderer  
Cupid's got a gun  
And he shot me with it  
Cupid's got a gun  
And he shot me with it  
Now who said he's a lover  
Really he's a murderer
