Nymphetamine Overdose

Cradle of Filth

Led to the river

Midsummer I wave

A 'V' of black swans

On with hope to the graveAnd through red September

When skies fire-paved

I begged you appear

Like a [Incomprehensible] onesCold was my soul

Untold was the pain

I faced, when you left me

A rose in the rainSo I swore to the razor

That never, enchained

Would your dark nails of faith

Be pushed through my veins againBared on your tomb

I am a prayer for your loneliness

And would you ever soon

Come above unto me? For once upon a time

From the binds of your loneliness

I could always find

The right slot for your sacred keySix feet deep is the incision

In my heart that barless prison

Discolors all with tunnel vision

Sunsetter, nymphetamineSick and weak from my condition

This lust, this vampiric addiction

To her alone in full submission

None better, nymphetamineNymphetamine, nymphetamine

Nymphetamine girl

Nymphetamine, nymphetamine

My nymphetamine girlWracked with your charm, I'm circled like prey

Back in the forest where whispers persuade

More sugar trails, more white lady laid

Than pillars of saltFall to my arms

Hold their mesmeric sway

And dance out to the moon

As we did in those golden daysChristening stars

I remember the way

We were needle and spoon

Mislaid in the burning hayBared on your tomb

I am a prayer for your loneliness

And would you ever soon

Come above unto me?For once upon a time
From the bind of your holiness
I could always find
The right slot for your sacred keySix feet deep is the incision
In my heart that barless prison
Discolors all with tunnel vision
Sunsetter, nymphetamineSick and weak from my condition
This lust, this vampiric addiction
To her alone in full submission
None better, nymphetamineSunsetter, nymphetamine
None better, nymphetamineNymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine girl
