Play (feat. Maty Noyes)

SoMo

Pearls on her neck and her black dress on
She don't know I'ma take her home
She don't know I'ma make her feel
Like she ain't never ever felt before
I'm from the rough side, she's from the best
Eyes like that can be dangerous
But I like that, I got interest
I'm thinking that she could be my mistressOoo nah, nah nah nah
I'm fond of the way she likes to play the game
Oh she loves to play the game
Ooo nah nah nah, nah nah
She wanna be, wanna be, wa-wanna be
She wanna be mischievous
Tell me whatcha want and we can play all night
Oh no no no
Ooo nah, nah nah nah
I'm fond of the way she likes to play the game
Oh she loves to play the game
Ooo nah nah nah, nah nah
She wanna be, wanna be, wa-wanna be
She wanna be mischievous
Tell me whatcha want and we can play all night
Oh no no noI know I'm probably out of line butBoy, please lemme unwind
Yeah, you know that I've been working these hips
What makes you think I can't handle this?It's been a long nightWe're gonna be here all night, all nightSo we can play, we can play if you ain't a lame
You know I'm insane with the game, with the game, game, gameOoo nah, nah nah nah
I'm fond of the way she likes to play the game
Oh she loves to play the game
Ooo nah nah nah, nah nah
She wanna be, wanna be, wa-wanna be
She wanna be mischievous
Tell me whatcha want and we can play all night
Oh no no no
Ooo nah, nah nah nah
I'm fond of the way she likes to play the game
Oh she loves to play the game
Ooo nah nah nah, nah nah
She wanna be, wanna be, wa-wanna be

She wanna be mischievous
Tell me whatcha want and we can play all night
Oh no no noI say you love the game
But you never played nobody else like me
And as far as I can see
It's changed, once you had a taste
You will never want nobody else but me
Once you're in, you're into meOoo nah, nah nah nah
I'm fond of the way she likes to play the game
Oh she loves to play the game
Ooo nah nah nah, nah nah
She wanna be, wanna be, wa-wanna be
She wanna be mischievous
Tell me whatcha want and we can play all night
Oh no no no
Ooo nah, nah nah nah
I'm fond of the way she likes to play the game
Oh she loves to play the game
Ooo nah nah nah, nah nah
She wanna be, wanna be, wa-wanna be
She wanna be mischievous
Tell me whatcha want and we can play all night
Oh no no noOoo nah nah nah, nah nah
