

# I Lied to You

## Allure of Souls

Mirror mirror on the wall  
Whoâ€™s the saddest one of them all?

I lied to you  
And thatâ€™s the truth

This lonely madness is killing me  
Crucifying my sanity  
I lied to you  
And thatâ€™s the truth

I cry my eyes out ever night for you  
Look at what you made me do  
Now I die, (I die a little every) every day, for you  
Look at what you made me do

Silver tears in a pool of love  
Gather them up, give to heaven above  
I lied to you  
And thatâ€™s the truth

Now I live for you  
And I die for you
