

Big Wheels [Album Version]

Electric Light Orchestra

I've been thinkin' it over,
So many times they say
 You got it made
 They never understand
The answer lies within your soul
'Cause no one know which side
 The coin will fall
 Big wheels turnin'
 Baby, I know
 (Or not at all).
 Big wheels turnin'
 Baby, I know
 (Or not at all).
 Big wheels turnin', turnin'.
 Save it for a rainy day,
For when the cold wind blows
 Just to see how they run
 I thought they'd know
 I tried my best
 All I could do
But somehow, it was not enough for you.
 Big wheels turnin'
 Baby I know,
 (Or not at all)
 Big wheels turnin' (no, no, no),
 Baby, I know (no, no, no).
 Big wheels turnin', turnin',
 Turnin', turnin', turnin'.
I remember the dead of night,
 A lonely light that shines
 Upon the window.
 I see it all so clear
The tenderness, the silent tears
 Out here in the pouring rain
Through cold dark waiting days
 I see you standing there
 I see the big wheels turnin'
Never endin', on and on they go.I think I'm goin' home,
 I think I'm gonna have to start again

It's rather sad
Because I've looked around
Can't seem to find
Whatever's always rollin'
Through my mind
Big wheels turnin'
Baby I know,
(Through my mind)
Big wheels turnin',
Baby I know
Big wheels turnin', turnin',
Turnin', turnin', turnin'. I remember the dead of night,
A lonely light that shines
Upon the window.
I see it all so clear
The tenderness, the silent tears
Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turnin'
Never endin', on and on they go. (Vocoded)
Big wheels,
Big wheels.
