Drowning in Viscera

Cannibal Corpse

Engulfed in the innards of rotting cadavers a rancid gore sea
Asphyxiation
Tangled intestines become my reality , choking on guts
Asphyxiation gasping for breath, drowning in visceraSlowly to taper away dissipate
Absorbing this ultimate carnage surrounding me
Soaking in entrails decayed, decomposed
Entombed without reason in moist isolation of repugnancyMorose sensation
Covered completely as terror, enhances pain, to suffocate
Morose sensation
Gasping for breath , drowning in visceraSinking in this tamped hell, pestilent
Smothered in heaping chunks stinking flesh putrefies
Decomposition ensures burial
Inundated languid doomIniquity, submerged ending
Primeval swamp, sanguinary
Inescapable abuseStarting to fade, blood saturates
Deadly embrace, immolated
Imbued with pus of the deadEviscerate another life gutted soul
Morbidity, obliterate, engrossing plight fatal rot
Consuming scum, drenched in evil excrement
Sent to a world to die in pain by drowning in visceraEngulfed in the innards of rotting cadavers a rancid gore sea
Asphyxiation
Tangled intestines become my reality choking on guts
Morose sensation gasping for breath, drowning in visceraEviscerate another life gutted soul
Morbidity, obliterate, engrossing plight fatal rot
Consuming scum, drenched in evil excrement
Sent to a world to die in pain by drowning in viscera
