

# Drowning in Viscera

## Cannibal Corpse

Engulfed in the innards of rotting cadavers a rancid gore sea

Asphyxiation

Tangled intestines become my reality , choking on guts

Asphyxiation gasping for breath, drowning in visceraSlowly to taper away dissipate

Absorbing this ultimate carnage surrounding me

Soaking in entrails decayed, decomposed

Entombed without reason in moist isolation of repugnancyMorose sensation

Covered completely as terror, enhances pain, to suffocate

Morose sensation

Gasping for breath , drowning in visceraSinking in this tamped hell, pestilent

Smothered in heaping chunks stinking flesh putrefies

Decomposition ensures burial

Inundated languid doomIniquity, submerged ending

Primeval swamp, sanguinary

Inescapable abuseStarting to fade, blood saturates

Deadly embrace, immolated

Imbued with pus of the deadEviscerate another life gutted soul

Morbidity, obliterate, engrossing plight fatal rot

Consuming scum, drenched in evil excrement

Sent to a world to die in pain by drowning in visceraEngulfed in the innards of rotting cadavers a rancid gore sea

Asphyxiation

Tangled intestines become my reality choking on guts

Morose sensation gasping for breath, drowning in visceraEviscerate another life gutted soul

Morbidity, obliterate, engrossing plight fatal rot

Consuming scum, drenched in evil excrement

Sent to a world to die in pain by drowning in viscera
