I Believe

Bosson

I believe in love
I believe in loveYou say of love
There's no such thing
You've only known
The pain it bringsYou question why
I give your heart
You stay alone
You stay apartI've seen, I know, I trust, I feel
Love is alive and for real
And I believe
I believe in love
I believe two hearts
Can learn to beat as oneAnd I believe
I believe that time
Can tie your soul to mine
I see the doubt there in your eyes
But I believe in loveI know you're scared
I understand
Please take my word
And take my handIf there's no faith
Inside of you
I can believe
Enough for two
I've seen, I know, I feel, I trust
Love has a future for usAnd I believe
I believe in love
I believe two hearts
Can learn to beat as oneAnd I believe
I believe that time
Can tie your soul to mine
I see the doubt there in your eyesAnd I believe
I believe in love
I believe two hearts
Can learn to beat as oneAnd I believe
I believe that time
Can tie your soul to mine
I see the doubt there in your eyes
But I believeI believe, I believe in love
Two hearts can beat as one

I believe, I believe that time
Can tie your soul to mineI believe, I believe in love
Two hearts can beat as one
I believe, I believe that time
Can tie your soul to mineAnd I believe
I believe in love
I believe two hearts
Can learn to beat as oneAnd I believe
I believe that time
Can tie your soul to mine
I see the doubt there in your eyesAnd I believe
I believe in love
I believe two hearts
Can learn to beat as oneAnd I believe
I believe that time
Can tie your soul to mine
I see the doubt there in your eyes
But I believe
