Sunshine

Sia

My sweet, I know that you feel weak
My sweet, I swear you got this beat
And my love, I know that it's been tough
My love, I know you've had it roughTell me your secrets tonight
I'll take 'em with me, and I'll get the elves workin' on them
In the workshop
We'll take your problems apart, put 'em back using our hearts
Got the elves working so hard
Make your pain stopI'm Santa's helper and I've got your back
All my love is gift-wrapped
Don't be scared, I'm by your side
I'm Santa's helper, give your fears to me
I'll take them home, baby
And return them as sunshine
I'll bring you sunshine, yeah
I'll bring you sunshine, yeahDarling, I know you want to sing, darling
But you've got to stop running, baby
You know that I'll carry you, baby
Your heart is safe with meTell me your secrets tonight
I'll take 'em with me, and I'll get the elves workin' on them
In the workshop
We'll take your problems apart, put 'em back using our hearts
Got the elves working so hard
Make your pain stopI'm Santa's helper and I've got your back
All my love is gift-wrapped
Don't be scared, I'm by your side
I'm Santa's helper, give your fears to me
I'll take them home, baby
And return them as sunshine
I'll bring you sunshine, yeah
I'll bring you sunshine, yeahI'm Santa's helper and I've got your back
All my love is gift-wrapped
Don't be scared, I'm by your side
I'm Santa's helper, give your fears to me
I'll take them home, baby
And return them as sunshineI'll bring you sunshine, yeah
I'll bring you sunshine, yeah
I'll bring you sunshine, yeah
I'll bring you sunshine, yeah
