Savage Curtain

Symphony X

Besiege me not for what I am
a man with intent in the Devil's den
for I know not what to believe
Radical alterations in my temper
yet mad I am not in trust I deceive
I will offer you extreme opposition
grows worse day by daybut I do grieve the evident
Savage curtain closes in on youmy fiendish corruption will fill my need
The fury of demons possessing me
behind this illusion
every reason to fulfill my deed.
to violate that witch is law merely
Have we not a perpetual inclination
because we know it is to be?Savage curtain closes in on you
but I do grieve the evidentbehind this illusion
[Solo]Savage curtain closes in on you
but I do grieve the evident
behind this illusion
