

# Scream

## ASU Sun Devil Marching Band & Dr. Robert "Coach" F

You get up and somebody tells you where to go to  
When you get there everybody's telling you what to do  
    Thank you, it's been another bloody Monday  
And no one is asking what you wanted anyway  
    Scream, 'til you feel it  
    Scream, 'til you believe it  
    Scream, and when it hurts you  
        Scream it out loud  
        Scream, 'til you feel it  
        Scream, 'til you believe it  
        Scream, and when it hurts you  
            Scream it out loud  
Watch out, stay awake, they're lurkin'  
    Obsess you, they are always workin'  
    Promisin', everything you never asked for  
And one day it'll be too late and you beg for more  
    Scream, 'til you feel it  
    Scream, 'til you believe it  
    Scream, and when it hurts you  
        Scream it out loud  
        Scream, 'til you feel it  
        Scream, 'til you believe it  
        Scream, and when it hurts you  
            Scream it out loud  
Back to zero, your time's about to come  
    Let them know you're not just anyone  
        Your time's about to come  
        Scream, 'til you feel it  
        Scream, 'til you believe it  
        Scream, and when it hurts you  
            Scream it out loud  
            Scream, 'til you feel it  
            Scream, 'til you believe it  
            Scream, and when it hurts you  
                Scream it out loud  
                Shut up  
            No, can't you feel it  
            No, don't you believe it  
            No, and when it hurts you

Scream it out loud  
No, no, no, no, no, no  
Scream it out loud, scream
