Fly With Me

Keith Allison

If time was still the sun would never, never find us
We could light up the sky tonight
I would see the world through your eyes
And leave it all behind
If it's you for me forever
If it's you and me right now
That'd be alright, be alright
We're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me?
Oh yeah, gonna fly with me now
Now the past is come alive
And given meaning and a reason
To give all I can
To believe once again
If it's you for me forever
If it's you and me right now
That'd be alright, be alright
We're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me?
Maybe you were just afraid
Knowing you were miles away
From the place where you needed to be
And that's right here with me
It's you and me forever
You and me right now
That'd be alright
We're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me?
If it's you for me forever
If it's you and me right now
I'd be alright, be alright
We're chasing stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly, fly, fly with me?
