

Shoot This

Motor Ace

Tell me it's crazy, don't feel like I'm lazy
Just trying to get me some cheap
Cry cause they're staring, but nobody's caring
You know we can't stay underground
Get this, shoot this
Yeah, but baby I'm still losing
Get this, shoot this
Yeah, but baby I'm still losing
Baby I'm still losing
Watching is easy, took one time to please me
These feeling don't want to be found
You talk like you mean it
You walk like you dream it
So better stop writing it down
Get this, shoot this
Yeah, but baby I'm still losing
Get this, shoot this
Yeah, but baby I'm still losing
Baby I'm still losing
Come and get it
Yeah I'm open to suggestions like before
Always open to suggestion give me more
Get this, shoot this
Yeah, but baby I'm still losing
Get this, shoot this
Yeah, but baby I'm still losing
Baby I'm still losing
Baby I'm still losing
Baby I'm still losing
