

Break the Chain

Ultimate Painting

It's alright to tell the truth
If it hurts then what's the use
In keeping on with this game
It's alright to break the chain
It's alright to tell a lie
People come and pass you by
If you no longer play the game
It's alright to break the chain
It's alright to break the chain
It's alright to break the chain
Chains will break
Notice they don't make mistakes
they're just there to remind you who you are
Chains will break
People come and go in the night before you wake to find them gone
Chains will break
They can take the strength link by link they'll rust away and disappear
Chains will break
Notice they don't make mistakes
They're just there to remind you of what you're not
Chains will break...
