

Tomorrow

Europe

Will you be there beside me
If the world falls apart
And will all of our moments
Remain in your heart Will you be there
To guide me
All the way through
I wonder will you Walk by my side
And follow my dreams
And bear with my pride
As strong as it seems Will you be there tomorrow
Will you be there beside me
As time goes on by
And be there to hold me Whenever I cry
Will you be there to guide me
All the way through
I wonder will you Walk by my side
And follow my dreams
And bear with my pride
As strong as it seems
Will you be there
Tomorrow
