

In the Likeness of You

Petra

Words and music by John Lawry and John Elefante

Based on Psalm 17:15 In the likeness of You

Recreated, renewed

Let me awake forever

In the likeness

In the likeness of You Now I lay me down to sleep

My heart and soul are Yours to keep

I close my eyes and try to see

More of You and less of me Jesus, I'm trusting in You

So while I'm sleeping

Keep me dreaming

Of when I will awake In the likeness of You

Recreated, renewed

Resurrected by Your righteousness

In Your likeness

In the likeness of You Men dream of fortune and fame

Making the rules, naming the game

And men dream of things they can hold

Money and power, silver and gold

Jesus, I'm dreaming of You

Take me and melt me, mold me

Until I am complete In the likeness of You

Recreated, renewed

Resurrected by Your righteousness

In the likeness of You

In the likeness of You

So faithful and true

Let me awake forever in the likeness of You The likeness of You

I want to be

I want to be like You

In all I say

In all I do
