

Shadows in the Rain

The Police

Woke up in my clothes again this morning
Don't know exactly where I am
When I should heed my doctor's warning
He does the best with me he canHe claims I suffer from delusions
Yet I'm so confident I'm sane
It can't be an optical illusion
So how can you explain
Shadows in the rainAnd if you see us on the corner
And we're dancing in the rain
I join my friends there when I see them
Outside my window pane
Shadows in the rain
Shadows in the rainShadows in the rain
Shadows in the rainWoke up in my clothes again this morning
Don't know exactly where I am
I should heed my doctor's warning
He does the best with me he canShadows in the rain
Shadows in the rain
Shadows in the rain
Shadows in the rain
