

# Exterminator

## Yakuza

Gun metal skies, broken eyes  
Claustrophobic concrete, English high-rise  
Exterminate the underclass, exterminate the telepaths  
No civil disobedience, no civil disobedience Incubating ultra-violent, psychic distortions  
Slow death injectable, narcosis terminal  
Damage receptors, fractured speech  
No civil disobedience, no civil disobedience Control and violence, hallucinatory programmes  
Septicemic interzone, psychic distortions  
Satellite sickness, TV junk  
No civil disobedience, no civil disobedience No civil disobedience, no civil disobedience  
No civil disobedience Insecticide shots for criminal cops  
All jails are concentration camps, all judges are bought  
Everyone's a prostitute, everyone's a prostitute  
No civil disobedience, no civil disobedience So look out kid, you keep it all hid  
You think you're free, but you ain't free, just free to be hit  
You're an unchannelled frequency, nobody's listening  
You imbalanced permanent, nobody's listening  
No civil disobedience, no civil disobedience No civil disobedience, no civil disobedience  
No civil disobedience
