

# People Hate Me

## Murderdolls

I'm wretched I'm infested rejected and infected  
I'm a loser I'm a winner a born again sinner  
Cut my throat and watch me bleed addicted tragedy  
And I hate you and you hate me  
So stand in line motherfuckers don't waste my time See me in the headlines  
Manipulate your simple minds  
So put your hands up and praise  
I'm your God and you're my slave And people hate me 'cause I'm better than you  
And people hate me  
And that's the motherfuckin' truth  
People hate me and you can all fuck off  
I'm perfect pissed off beautiful, I'm God I'm a hooker I'm your priest  
I'm you brand new disease  
I'm Satan with distortion your overdue abortion  
And now I'm singin' out of key the God of your TV  
And all you children will worship me  
So give me drugs your bitches and your S.T.D's See me in the headlines  
Manipulate your simple minds  
So put your hands up and praise  
I'm your God and you're my slave And people hate me 'cause I'm better than you  
And people hate me  
And that's the motherfuckin' truth  
People hate me and you can all fuck off  
I'm perfect pissed off beautiful, I'm God I'm wicked addicted middle finger double fisted  
I'm neurotic drug induced and chemically abused  
Cut my throat and watch me bleed addicted tragedy  
And I hate you and you hate me  
Wipe the snot on to my sleeve for I'm your new disease See me in the headlines  
Manipulate your simple minds  
So put your hands up and praise  
I'm your God I'm homicide on parade  
A bloody nose serenade  
I'm a human hand grenade  
I'll never rot and never go away And people hate me 'cause I'm better than you  
And people hate me  
And that's the motherfuckin' truth  
People hate me and you can all fuck off  
I'm perfect pissed off beautiful, I'm God And people hate me 'cause I'm better than you  
And people hate me

And that's the motherfuckin' truth  
People hate me and you can all fuck off  
I'm perfect pissed off beautiful, I'm God
