

The Slop

The Olympics

Mama did the hully gully
Now she's got her mop
Now, let me drop this baby off
To do the slopWell, she's gonna teach this baby
How to do the slop
(Right now we're gonna do the slop)
So get back in the kitchen now with that mop
(Right now we're gonna do the slop)With some hully gully music on the radio
(Right now we're gonna do the slop)
And put some diapers on the baby
And away we'll go, whoa, ooh
(Right now we're gonna do the slop)Mama's did the hully gully
Now she's got her mop
Now mother call this baby
Gonna do the slopThat's it, Tom
(Right now we're gonna do the slop)
Move a little bit, now
(Right now we're gonna do the slop)That's what I'm talkin' about
(Right now we're gonna do the slop)
Go ahead, you wailin'
(Right now we're gonna do the slop)Mama's did the hully gully
Now she's got her mop
Now mama's taught this baby well
To do the slopWell
The baby's doin' the hully gully without socks
(Right now we're gonna do the slop)
So grab the baby by the hand
Befo' she blow's her top
(Bout now we gonna do the fly)Wipe the baby's nose and pull her diaper up
(Right now we're gonna do the slide)
Oh well, I got to stop because I'm too pooped to pop
(Right now we're gonna shoo the fly)Mama did the hully gully
Now she's got her mop
Now, mama's taught this baby
How to do the slopMama's did the hully gully
Now, she's got her mop
Now, mama's taught this baby
Gonna do the slop
