

Bitter

Jill Sobule

I could slip, I could fall
In that mean and awful hall
With the other jealous bitches
And the bitter grumbling men I could sneer, I could glare say that
Life is so unfair and the one who
Made it, made it 'cause her breasts
Were really big Well, I don't wanna get bitter
I don't wanna turn cruel
I don't wanna get old
Before I have to I could bitch, I could moan
Say I want to be left alone
But that's not really true
Because I like my time with you Till you rant and you rave
Wishing fat folks to their grave
But I feel sorry for them
You say they get what they deserve Well, I don't wanna get bitter
I don't wanna turn cruel
I don't wanna get old
Before I have to And I don't wanna get jaded
Petrified and weighted
I don't wanna get bitter like you Like you, with the darts in your eyes
Like you, with disdain for mankind
I was charmed, now I wonder Well I don't wanna get bitter
I don't wanna turn cruel
I don't wanna get old
Before I have to So I'll smile with the rest
I'll wish everyone the best
And know the one who made it
Made it 'cause she was actually pretty good But I don't wanna get bitter
I don't wanna turn cruel
I don't wanna get old
Before I have to And I don't wanna get jaded
Petrified and weighted
I don't wanna get bitter like you No, I don't wanna get bitter
I don't wanna turn cruel
I don't wanna get old
Before I have to And I don't wanna get jaded
Petrified and weighted
I don't wanna get bitter like you
