

# Surprise, Surprise

## Cop Shoot Cop

The lower they go, the higher they fly  
There's more than one way to play and I say an eye for an eye  
It's been going too far, been going too far for far too long  
I want to set it on fire, I want to set it on fire, drop the bomb  
Surprise, surprise. The government lies.  
It's okay to kill in the name of democracy  
And dictators are swell if they like the smell of American money  
It's making me sick, I want no part of it  
Stop waving that flag  
All you idiots bought right into it  
And who's left holding the bag?  
Surprise, surprise. Surprise, surprise.  
The government lies.  
This capsized country's sinking fast  
I've got leeches and landlords and lawyers  
Crawling all over my ass  
We've been playing along and they've  
Been playing the song we wanted to hear  
But the melody's meaningless  
Wasted on my ears  
Surprise, surprise. Surprise, surprise.  
The government lies.  
Turn it off, turn it off, turn it off (etc.)
