Look Whachu Done 2 Me

Mint Condition

What More Can I Do Without You
Cause Now I've Just Conquered The World
Seen Everything A Man Could See
Even Scooped Up Diamonds And Pearls
I Tried To Move On, Find A Lady I Like
I Took My Time But Still You Burn Through My Mind

[Hook:]Now Look What You've Done 2 Me
Guess I'll Just Be Lovin' You Girl
So Sick From Your Love I Grieve
Doctor Say There Ain't No Cure
Can't Fade You From My Memory
Ain't Nobody Else That I Can Turn To (Naw
