

# Look Whachu Done 2 Me

## Mint Condition

What More Can I Do Without You  
Cause Now I've Just Conquered The World  
Seen Everything A Man Could See  
Even Scooped Up Diamonds And Pearls  
I Tried To Move On, Find A Lady I Like  
I Took My Time But Still You Burn Through My Mind

[Hook:]Now Look What You've Done 2 Me  
Guess I'll Just Be Lovin' You Girl  
So Sick From Your Love I Grieve  
Doctor Say There Ain't No Cure  
Can't Fade You From My Memory  
Ain't Nobody Else That I Can Turn To (Naw
