Adagio

Emily Wells

Go slow my love, go slow
I got a number for you. You got mine
Go slow, if you can help yourself. Go slow, this time
I'm a goner. I wanna get on that bus
The one that'll ride me to your front door
just to tell you how much
I'm a goner. I wanna get on that bus
The one that'll ride me all through the night
Just to tell you how much
