

The Rubberband Man (45 version)

The Spinners

Hand me down my walkin' cane
Hand me down my hat
Hurry now and don't be late
'Cause we ain't got time to chat
You and me we're goin' out
To catch the latest sound
Guaranteed to blow your mind
So high you won't come down
Hey ya'll prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jam
Oh boy, this dude is outta sight!
Everything he does seems to come out right
Once I went to hear them play
At a club outside of town
I was so surprised
I was hypnotized
By the sound this cat put down
When I saw this short fat guy
Stretch a band between his toes
Hey, I laughed so hard
'Cause the man got down
When he finally reached his goal
Hey ya'll prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jam
Got that rubber band
Up on his toes
And then he wriggled it up
All around his nose
Guaranteed to blow your mind
Playin' all that music, yet keepin' time
Where in the world did he learn that, oh Lord?
Lord, help him get away
Hey ya'll prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jam
Rubberband man, rubberband man
How much of this stuff do he think we can stand?
So much rhythm, grace, and debonair for one man
And then he had the nerve to wiggle his left toe

Went to his knee, got the feelin' in his head, y'all
Oh, come on babyHey ya'll prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jamRubberband man starts to jam
Moving up and down 'cross the land
Got the people all in his wake
Everything probably seems outta placeJust move it, just move, move, move it, just
Rubberband, rubberband man
Just move it, just move, move, move it, just
Rubberband, rubberband man
Get down, oh, get down low
