

Black Velvet

Pat Benatar

Mississippi in the middle of a dry spell
Jimmy Rogers on the Victrola up high
Mama's dancin' with baby on her shoulder
The sun is settin' like molasses in the sky
The boy could sing, knew how to move, everything
Always wanting more, he'd leave you longing for
 Black velvet and that little boy's smile
 Black velvet with that slow southern style
 A new religion that'll bring ya to your knees
 Black velvet if you please
 Up in Memphis the music's like a heatwave
 White lightening, bound to drive you wild
Mama's baby's in the heart of every school girl
"Love me tender" leaves 'em cryin' in the aisle
The way he moved, it was a sin, so sweet and true
Always wanting more, he'd leave you longing for
 Black velvet and that little boy's smile
 Black velvet with that slow southern style
 A new religion that'll bring ya to your knees
 Black velvet if you please
Every word of every song that he sang was for you
In a flash he was gone, it happened so soon, what could
 You do?
 Black velvet and that little boy's smile
 Black velvet with that slow southern style
 A new religion that'll bring ya to your knees
 Black velvet if you please
 Black velvet and that little boy's smile
 Black velvet with that slow southern style
 A new religion that'll bring ya to your knees
 Black velvet if you please
 If you please, if you please, if you please
