

Impotent God (Remastered)

Hypocrisy

[Impotent God]Screaming through the soul
You're thinking like a God
Satan not surprised
The darkness has arrivedA smash between the eyes
You're helping cure this eye
Glibly closing in
No one hear you screamImpotent God
Why won't you die?
You're full of lies
Go to hellThink you'll be reawaken
He thought to be in one
It would be a desire to be immortal
The bloody corpse is rotThey fear they'll burn like fire
My phantom wearing scars
Satan wants your head
So now you'll bleed for meEvil disgusting rots
Spit in the face of your God
Going in Jesus and priests
You'll mental and physically dieScreaming through the soul
You're thinking like a God
Satan not surprised
The darkness has arrivedA smash between the eyes
You're helping stab the eyes
Glibly closing in
No one hear you screamThink you'll be reawaken
He thought to be in one
It would be a desire to be immortal
The slaughtered corpse is rotEvil disgusting rots
Spit in the face of your God
Going in Jesus and priests
You'll mental and physically dieImpotent God
Why won't you die?
You're full of lies
Go to hell
