

Tonight Will Be Fine (live)

Leonard Cohen

Sometimes I find I get to
Thinking of the past
We swore to each other then
Our love would surely last You kept right on loving
I went on a fast
Now I am too thin
And your love is too vast But I know from your eyes
And I know from your smile
That tonight will be fine
Will be fine, will be fine, will be fine
For a while I choose the rooms that I live in with care
The windows are small and the walls almost bare
There's only one bed and there's only one prayer
I listen all night for your step on the stair But I know from your eyes
And I know from your smile
That tonight will be fine
Will be fine, will be fine, will be fine
For a while Oh, sometimes I see her undressing for me
She's the soft naked lady love meant her to be
And she's moving her body so brave and so free
If I've got to remember that's a fine memory And I know from her eyes
And I know from her smile
That tonight will be fine
Will be fine, will be fine, will be fine
For a while And I know
And I know
And I know
