

# 99 Miles from L.A.

Art Garfunkel

Keeping my eyes on the road I see you,  
Keeping my hands on the wheel I hold you,  
Ninety-nine miles from L.A.  
I kiss you, I miss you,  
Please be there. Passing a white sandy beach we're sailing,  
Turning the radio on we're dancing,  
Ninety-nine miles from L.A.  
I want you, I need you,  
Please be there. The windshield is covered with rain, I'm crying,  
Pressing my foot on the gas, I'm flying.  
Counting the telephone poles, I phone you,  
Reading the signs on the road, I write you,  
Ninety-nine miles from L.A. we're laughing, we're loving,  
Please be there.  
We're laughing, we're loving,  
Please be there.
