

# The War Song

Santhi

War, war is stupid and people are stupid  
And love means nothing in some strange quarters  
War, war is stupid and people are stupid  
And I heard the banging of hearts and fingers, war  
People feel the world with narrow confidence  
Like a child at birth, a man with no defense  
Whats mine is my own, I wont give it to you  
No matter what you say, no matter what you do  
Now were fighting in our hearts  
Fighting in the street  
Wont somebody help me?  
War, war is stupid and people are stupid  
And love means nothing in some strange quarters  
War, war is stupid and people are stupid  
And I heard the banging of hearts and fingers, war  
Man is far behind in the search of something new  
Like a Philistine, were burning witches too  
This world of fate must be designed for you  
It matters what you say, it matters what you do  
Now were fighting in our hearts  
Fighting in the street  
Wont somebody help me?  
War, war is stupid and people are stupid  
And love means nothing in some strange quarters  
War, war is stupid and people are stupid  
And I heard the banging of hearts and fingers, war  
War, war, war  
After the bird has flown  
Walked ten thousand miles back home  
You cant do that to me, no, you cant do that to me  
You cant do that to me, no, you cant do that to me, war, war  
In this heart of mine, I'll find a place for you  
For black or white, for grown-up children too  
Now were fighting in our hearts  
Fighting in the street  
Wont somebody help me?  
War, war is stupid and people are stupid  
And love means nothing in some strange quarters  
War, war is stupid and people are stupid  
And I heard the banging of hearts and fingers  
War, war is stupid and people are stupid  
(No more war, say no more war)  
And love means nothing in some strange quarters  
(Say war)  
War, war is stupid and people are stupid  
(Senso hantai, Senso hantai)  
And I heard the banging of hearts and fingers  
(Say no more war, say no more war)  
War, war is stupid and people are stupid  
(No more war, say no more war )  
And love means nothing in some strange quarters  
(And no more war)  
War, war is stupid and people are stupid  
(And no more war)

And I heard the banging of hearts and fingers  
(War, I said no more war) War, war is stupid and people are stupid  
(No more war)  
And love means nothing
