

Can't Live Without You

[Mischa Daniels](#)

I can't live without you
So won't stay another night
I can't live without you
So let me hold you at midnight
The fire in your eyes
To lighten up my skies
I can't live without you I'm so alone, I'm breaking down
I'm begging you to stay around
I'm crying out for love
Crying out for you
Cause I want you in my arms tonight
Does it leave you cold that I'm on my knees?
I'm begging you to make things right
I can't live without you
So won't stay another night
I can't live without you
So let me hold you at midnight
The fire in your eyes
To lighten up my skies
I can't live without you There's nothing that I wouldn't do
To spend the night alone with you
You've given up on love, given up on me
Given up on everything baby
Does it leave you cold that I'm on my knees?
I'm begging you to make things right
I can't live without you
So won't stay another night
I can't live without you
So let me hold you at midnight
The fire in your eyes
To lighten up my skies
I can't live without you
