

# 4 In The Morning

Gwen Stefani

Wakin' up to find another day  
The moon got lost again last night  
But now the sun has finally had its say  
I guess I feel alright But it hurts when I think  
When I let it sink in, its all over me  
Im lyin' here in the dark  
I'm watchin' you sleep, it hurts a lot And all I know is  
Youve got to give me everything  
Nothing less 'cause  
You know I give you all of me I give you everything that I am  
Im handin over everything that Ive got  
'Cause I wanna have a really true love  
Dont ever wanna have to go and give you up Stay up till four in the mornin' and the tears are pourin'  
And I want to make it worth the fight  
What have we been doin' for all this time?  
Baby, if were gonna do it, come on do it right All I wanted was to know Im safe  
Dont want to lose the love Ive found  
Remember when you said that you would change  
Dont let me down Its not fair how you are  
I cant be complete, can you give me more? And all I know is  
Youve got to give me everything  
Nothing less 'cause  
You know I give you all of me I give you everything that I am  
Im handin' over everything that Ive got  
'Cause I wanna have a really true love  
Dont ever wanna have to go and give you up Stay up till four in the mornin' and the tears are pourin'  
And I want to make it worth the fight  
What have we been doin' for all this time?  
Baby if were gonna do it, come on do it right Oh please, you know what I need  
Save all your love up for me  
We cant escape the love  
Give me everything that you have And all I know is  
Youve got to give me everything  
Nothing less 'cause  
You know I give you all of me I give you everything that I am  
Im handin' over everything that Ive got  
'Cause I wanna have a really true love  
Dont ever wanna have to go and give you up Stay up till four in the mornin' and the tears are pourin'  
And I want to make it worth the fight

What have we been doin' for all this time?  
Baby if were gonna do it, come on do it rightGive you all of me  
Give you everything  
Give you all of me
