Troublemaker

Samantha Barks

I see from above set apart this is not so crazy
Between you and me is a heart that is always breaking
It breaks again
And takes you in
So my heart's a troublemaker
Always doing something wrong
Anywhere it shouldn't take me
Is the place where I belong
In the corner of your bedroom
Drowning in a glass of wine
If my heart's a troublemaker
Why won't it make you mine
I'm close to the flame
All the same I would move in closer
But be wide awake
A mistake I would make all over
To break again and take you in
My heart's a troublemaker
Always doing something wrong
Anywhere it shouldn't take me
Is the place where I belong
In the corner of your bedroom
Drowning in a glass of wine
If my heart's a troublemaker
Why won't it make you mine
To break again and take you in
My heart's a troublemaker
Always doing something wrong
Anywhere it shouldn't take me
Is the place where I belong
In the corner of your bedroom
Drowning in a glass of wine
If my heart's a troublemaker
Why won't it make you mine
I wanna be yours you wanna be mine
I wanna be yours you wanna be mine
I wanna be yours you wanna be mine
I wanna be yours you wanna be mine
Soon you'll know you're gonna be mine
