All Our Friends

Monarchy

This city is dreaming
and we don't know our name
and the sidewalks are breathing
We're out playing our gamesWe're standing here
All our friends
All our friends this is the end
We're standing here with
All our friends
All our friends this is the end
Now our eyes are opening
and we're standing the same
Now we're pulling into focus
Now we're hungry for veinsWe're standing here
All our friends
All our friends this is the end
We're standing here with
All our friends
All our friends this is the end
Now we're feeling so light
Now we're actually flying
And it doesn't feel right
But it's better than dying
