Rival The Eminent

Immolation

Not all of us choose to believe
Some of us choose to live
Not all of us follow so blindly
And accept all that we hearMaybe you're not so smart
To look outside yourself
Maybe you've chosen unwisely
In the God you've made your ownI'll be my own leader
I'll be my own saviour
I'll be the strength that carries
I'll be the light that guides...me
I will make you see
Your devotion is in vain
I'll be the one left standing
When all of you are kneeling
And smiling, so content
I'll wipe the smiles off your facesDon't you dare pity me
I've made my choice and I'll prove you wrong
