

Slow Girl

[Audiobub](#)

Take me in slow girl like what you see
Tell me how bad you want to feel me
Breeze from the ocean shaking your knees
Time is no problem can't you see

Girl you're my best friend
You're wearing my ring
Dive to the bottom and bring me everything
It ain't no problem Paul Simon and me
Girl you're so bad you make it hard to breathe

Laying so low girl sand and the sea
Tanning that body just for me
Playing that six string feet in the sand
Waking right up to this reggae band

Girl you're my best friend
You're wearing my ring
Dive to the bottom and bring me everything
It ain't no problem Paul Simon and me
Girl you're so bad you make it hard to breathe
