

# Was It Good for You

[Darryl Worley](#)

Now don't you worry, baby, I won't tell.  
I'll keep our little secret to myself.  
That's fine, no games, no strings if you say so.  
But tell me just one thing before you go. Was it good for you?  
'Cause it was good for me.  
Was it anything and everything you thought it'd be?  
Hey, I was being bad, but baby, you were too.  
And it was good for me.  
Was it good for you? Ah, this ain't gonna leave me for awhile.  
Not every girl can drive a boy that wild.  
Yeah, you took me places I ain't never been.  
And that's one trip I'd love to take again. Hey Was it good for you?  
'Cause it was good for me.  
Was it anything and everything you thought it'd be?  
Hey, I was being bad, but honey, you were too.  
And it was good for me.  
Was it good for you? Oh baby, what you did, you just can't undo.  
And it was good for me.  
Was it good for you? It was good for me.  
Say it was good for you. Oh, was it good for you, baby?  
It sure was good for me. Got a little crazy, didn't it?
