

Jam Knock

Brian McKnight

Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock Friday night, after eight, smiling' face, just got paid
You know how it feels
Gotta find the party, paint the town
Pick a hootie, go get down
Then come with the real, yeah, yeah In and out, scream and shout
This is what it's all about
Baby girl, you're the one I came to see, yeah
On the floor, more and more
Show me what you came here for, baby
Babe, come closer to me Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock Let's groove tonight Don't want to think about tomorrow
Whatever comes what may
It's you and I here and now
Mr. DJ let the music play
Everybody's singing, everybody's swinging In and out, scream and shout
This is what it's all about
Baby girl, you're the one I came to see, yeah
On the floor, more and more
Show me what you came here for, baby
Babe, come closer to me Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock Let's groove tonight Baby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock Don't stop tonight, relax your mind
And my jam will knock 'till the morning light
If it's feelin' right then take your time
And my jam will knock
I'm on this Baby don't stop, let your body rock

While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knockLet's groove tonightNow throw your hands in the air
And wave 'em like you just don't care
All the honies in the house tonight
Let me hear you say oh, yeahIf you don't stop, let your body rock
While you listen to my jam knockDon't stop tonight, relax your mind
And my jam will knock 'till the morning light
If it's feelin' right then take your time
And my jam will knock
I'm on thisLet's groove tonightBaby don't stop, let your body rock
While you listen to my jam knock
We can party all night
If you don't stop, let your body rock
While you listen to my jam knock
