

Love Never Dies

Katherine Jenkins

Who knows when love begins?
Who knows what makes it start?
One day it's simply there
A life inside your heartIt slips into your thoughts
It infiltrates your soul
It takes you by surprise
Then seizes full controlTry to deny it and try to protest
But love won't let you go
Once you've been possessedLove never dies
Love never falters
Once it has spoken
Love is yoursLove never fades
Love never alters
Hearts may get broken
Love endures
Hearts may get broken
Love enduresAnd soon as you submit
Surrender flesh and bone
That love takes on a life
Much bigger than your own
It uses you at whimAnd drives you to despair
And forces you to feel more joy
Than you can bearLove gives you pleasure
And love brings you pain
And yet, when both are gone
Love will still remainLove never dies
Love never falters
Once it has spoken
Love is yoursLove never fades
Love never alters
Life may be fleetingLove never dies
Love will continue
Love keeps on beating
When you're goneLove never dies
Once it is in you
Life may be fleeting
Love lives on
Life may be fleeting
Love lives on
